Alle Anforderungen der EU Kosmetikverordnung werden erfüllt und daher liegt für jedes aufgeführte Produkt ein Sicherheitsbericht vor und alle Produkte sind im CPNP (Cosmetic product notification portal) notifiziert. Die Produktion, Befüllung und Verpackung sowie die Kontrolle der Qualität der Produkte werden in Übereinstimmung mit den Regeln der guten Herstellungspraxis (GMP) durchgeführt.

All requirements of the EU cosmetic regulation have been met and therefore a safety report is available for each product and a registration has been made on the CPNP (Cosmetic product notification portal). The production, filling and packaging as well as the control of the quality of the products are carried out in compliance with the rules of good manufacturing practice.
