6 Certificates

Creative Whip comply with European Regulations 1935/2004 and 10/2011 for materials in contact with food and may carry the wine glass and fork symbol.

Creative Whip complies with US FDA regulations applicable to food-contact regulations for repeated contact with food:

All used materials fulfill the requirements in CFR 21 §174.5 “Good Manufacturing Practice” and the specified limitations listed in CFR 21 Part 170-190.

Creative Whip is a low-hazard pressure device and according to the European Directive 97/23/EC (PED), which has been replaced by the EU Directive 2014/68/EU Article 4, §3) of the European Parliament, must not be CE marked.

7 Warnings and handling

The safety instructions and instructions for use for the cream devices and capsules must be observed.

- See separate product information for capsules.
- Misuse can endanger your health.
- Unsuitable and prohibited for purposes other than those expressly stated.
- Filled container is under pressure.
- Keep out of the reach of children.
- Because of the enclosed chargers, air transport is not allowed.

8 Storage

The unfilled whippers must be stored in a dry place at temperatures between -20°C and 50°C. Storage outdoors is not permissible.

9 Traceability

Batch number on the bottom of the bottle and on the underside of the head.
