Achtung / Caution / Attention / Attenzione

ACHTUNG!!

Diese Leuchte ist mit einem Überspannungsschutz von 1500V (Norm 500V) ausgestattet.

Hausinstallationen mit Relais, Stromstoßschaltern, Leuchten mit magnetischen Vorschaltgeräten oder Motorsteuerungen können höhere Spannungsspitzen erzeugen.

Verwenden Sie zum Schalten der Leuchte nur dafür geeignete Relais (z.Bsp. Eltako ES12DX-UC).

CAUTION!!

This lamp is equipped with a surge protection of 1500V (standard: 500V).

House installations with relays, impulse switches, lamps with magnetic ballasts or motor controls can generate higher voltage spikes.

Please only switch the lamp using suitable relays (e.g. Eltako ES12DX-UC).

ATTENTION !!

Ce luminaire est équipé d'une protection contre les surtensions de 1500V (standard 500V).

Les installations domestiques avec relais, interrupteurs à impulsion, luminaires avec ballasts magnétiques ou commandes moteurs peuvent générer des pics de tension plus élevés.

Veuillez n'utiliser que des relais appropriés pour commuter le luminaire (p ex. Eltako ES12DX-UC).

ATTENZIONE!!

Questa lampada è dotata di una protezione da sovratensione di 1500V (standard 500V).

Le installazioni domestiche con relè, interruttori a impulsi, lampade con regolatori di corrente magnetici o controlli motore possono generare picchi di tensione più elevati.

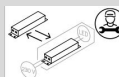

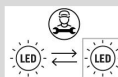

Utilizzare solo relè adeguati (ad es. Eltako ES 12DX-UC) per accendere la lampada.
