### **3. Maintenance & Care Instructions**

This outdoor furniture requires no maintenance. However, if you keep the furniture clean and store it properly you can enjoy it year after year.

- **Cleaning:** Never use abrasive material for cleaning. Preferably use a soft clean cloth and mild soap.
- **Maintenance:** Maintenance-free. Please put cushions in cushion box if not use for a long time.
- **Storing:** If possible, store your outdoor furniture during the winter season in a dry and cool place indoors. When stored outside, tilt the furniture and preferably use waterproof covers. Make sure air can circulate to avoid moisture.
- **Repair:** The metallic parts of the feet after a period of use can be dirty. Please use a dry towel to clean them. To increase the stability of your furniture retightens the screws at least once per season.
