Product group:	Air fryer accessories
Article:	Non-Scratch Kitchen Tongs - Green GTIN8710755883521 Article nr883521
Warnings & Safety information:	Non-Scratch and resistant to high temperatures. Cook while taking care of your kitchenware thanks to its 100% Silicone flexible tip, which avoids scratching your pots and pans. Cook worry-free and efficiently. Designed to last much longer without deteriorating, the utensil is resistant to high temperatures from the tip to the handle. Made of Silicone, a material that resists temperatures of up to 220°C, to reinforce the areas that have contact with the hottest surfaces and the most wear and tear. PBT is a rigid and hygienic material that resists temperatures up to 180°C, meaning the utensil can rest on hot surfaces such as the pan sides while cooking.
